BIOGRAPHICAL

His nickname was "Rat."

According to Mrs. Georgia S. Murray, he was probably married twice, before he married Kitty Pangman, by whom there was no issue. Not clear which children were by first or second wife, except that Edward would seem to have been a child of his first wife, whose name remains unknown.

George S. Murray supplies the information about the son Edward. The birthdates of the other children are "wild" guesses.

His wife Mary's gravestone provides her birthdate and deathdate.

The *Catskill Weekly Examiner* in it's issue of 2 Sep 1916, says he died 28 Aug 1916, Ashland, NY. The Chm Assoc Mss gives the date as 27 Aug 1916 and says that it occurred in Lexington.
