BIOGRAPHICAL

Removed to Corinth, Vermont. Not much is known of him except where he lived which, with some digging, should reveal much more about him and his family.

In 1820, he was living at Corinth, Orange Co., Vermont, heading a family of 11001-2101. In 1830, again of Corinth, his family consisted of 0010001-111101. In 1840, again of the same place, he headed a family of 11000001-0011001.

These early census records indicate that they had five children by 1820 (2 sons and three daughters. This would indicate a marriage date of about 1812. All in all they probably had at least eight children (four sons and four daughters.
