BIOGRAPHICAL

According to Glazier, David enlisted at Roxbury, MA, in 1775, under Captain. Joel Green, Col. Learned's regiment; again in 1778, under Capt. Marshall.

In 1790, David Chamberlin is believed to be the man living in Argyle, Washington Co., NY, heading a family of 2-2-2 (2 males 16 years of age and upwards, 2 males under 16 years of age, 2 females). However, the census age group data does not agree very well with the known family of this man.

In 1800, David Chamberlain, probably the man of this record, was living in Hartford Twp, Washington Co., NY, heading a family of 0121-2101 (1 male between the ages of 10 and 16 years, 2 males between the ages of 16 and 26 years, 1 male between the ages of 26 and 45 years, 2 females under the age of 10 years, 1 female between the ages of 10 and 16 years, 1 female between the ages of 26 and 45 years).

In 1810, David Chamberlin was living in Ontario, Ontario Co., NY, heading a family of 01111-01101 (1 male between the ages of 10 and 16 years, 1 male between the ages of 16 and 26 years, 1 male between the ages of 26 and 45 years, 1 male aged 45 years and upwards, 1 female between the ages of 10 and 16 years, 1 female between the ages of 16 and 26 years, 1 female aged 45 years and upwards).

In 1818, while then a resident of Ontario, Ontario Co., NY, David applied for pension benefits based on his military service during the Revolutionary War.

In 1820, David Chamberlain, still living in Ontario, Ontario Co., NY, headed a family of 100011-40011 (1 male under the age of 10 years, 1 male between the ages of 26 and 45 years, 1 male aged 45 years and upwards, 4 females under the age of 10 years, 1 female between the ages of 26 and 45 years, 1 female aged 45 years and upwards). One person engaged in Agriculture.

The 1800-1820 census data consistently indicates the presence of young females presumed to be this man's daughters.

The papers in David's pension file state that in 1820, he was 75 years old, living with his wife (not named), 64 years old. The revolutionary lists of 1778 describe him as age 28 years, 5 feet, 9 inches tall, dark complexion, and a resident of Brookfield, Worcester Co., MA. However, his pension states that he was born in Nov 1746, thus being aged about 32 years in 1778.

Glazier believed that David was a son of an earlier David⁴ Chamberlain (Abraham³⁻², William¹) who was born in 1726 at Dedham. However, it is now known that the David of this record was the son of John & Anna (Boyd) Chamberlain.
